# LEADING THE WAY IN FUND MANAGEMENT

Established in 2013, Leon MFO Investments has become a trusted Fund Manager in Cyprus and beyond. Today it manages 5 RAIFs, each with a unique investment strategy. In addition, it provides discretionary portfolio management to High Net Worth Individuals (HNWIs) and institutional investors. Assets under management (AUM) are around €900 million, demonstrating impressive growth over the past decade.

## Fund Strategies and Technological Innovation

In 2022, Leon MFO Investments launched two flagship funds. Leon Global Hedge Fund RAIF and Leon Income Fund RAIF

Andrey Narutskiy  
CEO, Managing Director

offering proven investment strategies to well-informed and professional investors:

- Leon Global Hedge Fund RAIF: Focuses on hedge fund investments in short-term credit and arbitrage opportunities, targeting consistent returns of 6.0-8.0%.
- Leon Income Fund RAIF: Specializes in corporate and sovereign bonds, aiming for long-term capital gains with yields of 5.0-6.0%.

To provide greater transparency and convenience, the firm offers a sophisticated client reporting system that provides real-time portfolio insights and comprehensive reporting features.

## Client-Centric Investment Solutions

Leon stands out for its highly personalized approach to portfolio management. The key strategies focus on diligent selection of equities, fixed income, ETFs and hedge funds. Structured products and AMCs (Actively Managed Certificates) are also offered to provide access to unique investment opportunities and enhance diversification. The company also ensures

regulatory compliance and keeps top-tier professionals to continually enhance client services.

## Cyprus as a Strategic Base

Operating from Cyprus, Leon MFO Investments finds significant advantages in the country's regulatory environment and its position as a growing hub for financial services. The company actively collaborates with organizations such as CIFA (Cyprus Investment Funds Association) and Invest Cyprus to promote Cyprus as a center for investment funds.

## Future Plans and Commitment

Through collaboration with major international banks, custodians, reputable brokers, and specialized service providers, Leon offers clients wide access to global investment opportunities. By staying client-focused, technologically innovative, and deeply engaged with Cyprus' investment ecosystem, Leon MFO Investments reinforces its position as a leader in fund management services.
